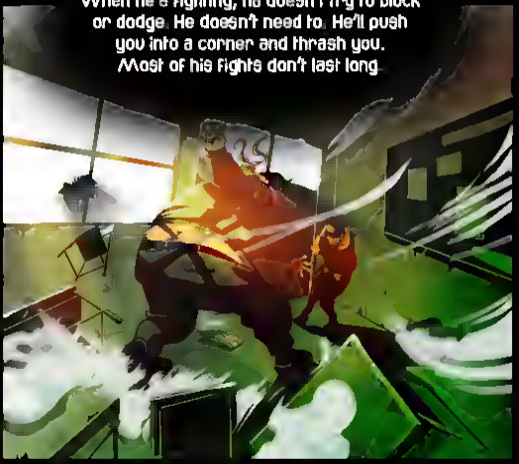
Grade 2 Class 1
David Kang, Dae-kang for short. As you can see, he is an avid ventriloquist. Carries his favourite marionette, Crafizer, on him at all times.
He also collects figurines. His collection is massive, and all-inclusive. He'll go well out of his way to get limited edition figures. He buys 4 of each figure: practical, display, sealed, and insurance!
INSURANCE?
JUST IN CASE HE LOSES ONE.



Don't underestimate him, though.
He uses his size as an advantage.
When he's fighting, he doesn't try to block or dodge. He doesn't need to. He'll push you into a corner and thrash you.
Most of his fights don't last long.

He moves real fancy when he's fighting He steps light, moves quick, and attacks at his own pace Watching him fight is like watching a b-boy dancing!

Vice President of the comic club Yong Jae Pang
TH...THIS IS TOO MUCH! THERE IS A LIMIT TO HOW MUCH YOU CAN COPY!!

AH... ER... I DIDN'T MEAN... LIKE THAT...
Don't let his clean-cut looks deceive you He's a dirty fighter
Dirty?

TH-THAT WAS JUST HIS JEALOUSY TALKING, MAN!

YOU'RE THE BEST, EVERYONE KNOWS THAT! NOT ONE MISTAKE!
YEAH, IT'S P-PERFECT! YOU'LL DEFINITELY WRITE THE NEXT GREAT MASTERPIECE!
He carries a 6-point pen around all the time
You can probably guess that he uses it for more than drawing
All I'm saying is, there's a couple of kids going round with holes in their heads He's earned himself the nickname 'mad dog'!
THIS IS A WORK OF FICTION.

악

Band Team Chun Jae Gal

He fights with all he's got. No matter the situation, no matter the opponent, he goes for it. He's never done any training, but he's got killer instincts, and more fighting spirit than anyone

Go Team Sung Han Ma

Unlike Chun Jae Gal, he's the cold, calculating type. He's crafty and tactical, and only fights when he knows he'll win. Because of his personality, he's the manager of the Anim Fight club

FINALLY, AN UNAFFILIATED STUDENT.
HAN MA PARK.
...HE'S LATE. AS USUAL.
CHUN JAE GAL, SUNG HAN MA, AND HAN MA PARK ARE, IN NAME, THE THREE HEADS OF ARIM. BUT IN PRACTICE, HAN MA PARK IS THEIR BOSS. IF THERE'S A FIGHT WITH ANOTHER SCHOOL, AND THEY CHOOSE TO SETTLE IT ONE ON ONE, IT'S ALWAYS HIM THAT GOES. AND WITH GOOD REASON! HIS RECORD IS PERFECT!
ER... HEY, BUT...
HUH?

WHY ARE WE HIDING AND PEEPING AT THEM?
UH... UM....

DON'T TELL ME YOU'RE SCARED OF THEM, BIG BOSS?
Acting cocky on his first day...

HAN MA PARK

TELL ME ABOUT HIS FIGHTING STYLE

All of sudden I'm feeling lazy. Why do I have to give you a tour?
I don't like your attitude!
If you want more info then show me your dedication at the cafeteria
THAT GUY'S ACTIONS AND HIS LOOKS DON'T MATCH.

Art & Story
Yong-jae Park

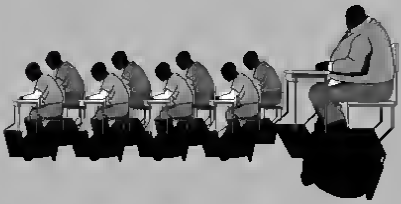
HUFF
HUFF
HUFF

# JIN JUNG-SHIK.

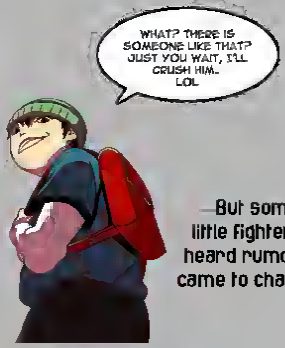
Among the fist fighters in this area,
he has no equal, he is the top of the top.

He is a mixed-blood,
born from African American
father and Korean mother

Perhaps it's due to his unique
family background, but he was already
182 cm tall and weighed at 115 kg when
he was in the 6th grade



No students in his
school would fight him...

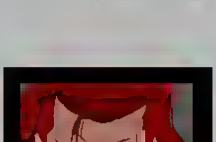


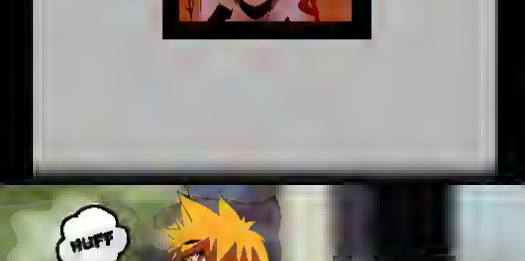
—But sometimes,
little fighters who'd
heard rumors of him
came to challenge him

No need to talk about the results.

The fight was never on.
Just think about it, he was 182 cm tall, 182 cm! And still just an elementary school student.

Han-ma was one of those challengers...





It wasn't the size alone that made him the top in this area.

In his 9th grade, he defeated every fighter in town, even including high schoolers...

By then, no one was saying his size was all he had.

Well... Han-ma was always embarrassed.. To be frank... Han-ma admitted defeat even without actually facing him properly...
He was always ashamed of that.
Because of that... after entering the middle school, he challenged him to a fight whenever he had a chance.

But the result was always the same.

Height 196cm
Weight 143kg

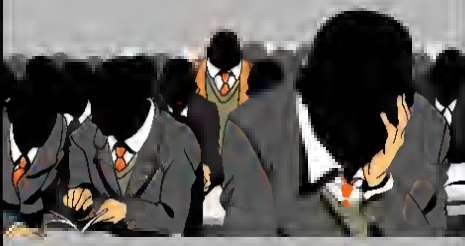
That was the size of Jin Jung-Shik when he conquered the area in his 9th grade.

Then it ended.

Since getting into high school, he seems to have lost interest in fighting... As if it was just nasty childish prank for him..

After that, he didn't use his fists anymore

, he naturally blended in as a normal 'student'.



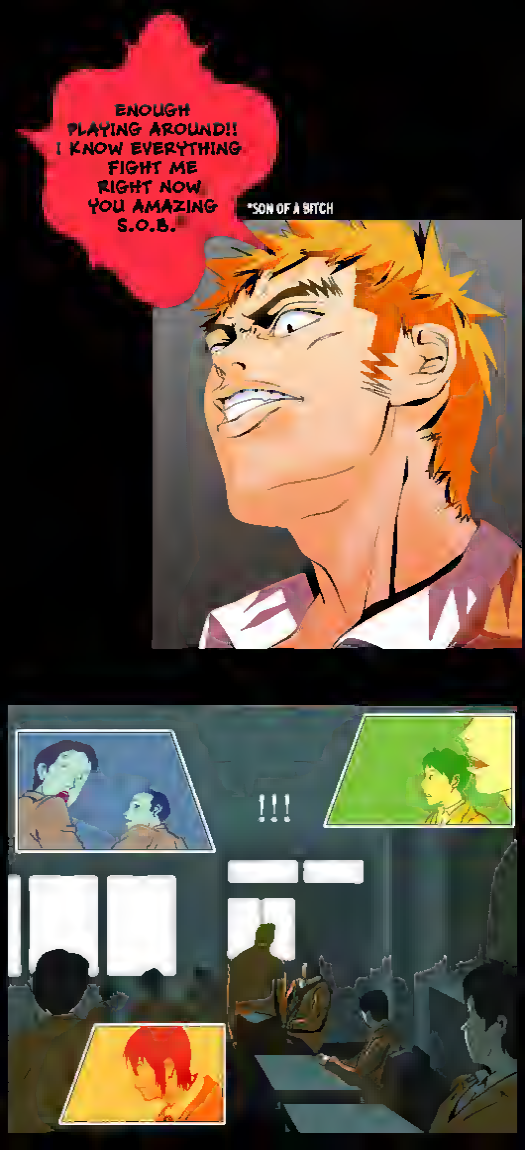
And focused on studying and losing weight...

Height 196cm
Weight 98kg
A top 10 academic
student in the school.

A man of great determination
who always achieves what he
seeks. That is Jin Jung-Shik.

HUFF
HUFF
HUFF
5 days after the fight with you, Han-ma challenged him once again...
... And... it only took... a single punch!!

The doctor said it looked as if he was hit by a hammer or a blunt weapon ..
HUH? YOU'RE HERE TO PAY ME BACK? I WASN'T REALLY EXPECTING IT.



ENOUGH PLAYING AROUND!! I KNOW EVERYTHING FIGHT ME RIGHT NOW YOU AMAZING S.O.B.*
